

BL936

Nothing else is even close to the uniqueness of the BL936! This is hands down the narrowest linear around at only 8-3/4" deep for framing. It is a true 36" wide linear and a modern design with a strong flame and an attractive surround. If you are looking to save space and stay contemporary, this is the fireplace for you..

Media:Black Glass

Quality Craftsmanship

Savannah's products are designed with superior components and materials, assembled by trained craftsmen who take great pride in their work. The burner and valve assembly are leak tested and test fired at a quality control test station. Once assembled the complete fireplace is thoroughly inspected by a qualified technician, before packaging, to ensure that you, the customer, receives the quality product that you expect from Savannah.
